

LONDON INTERCOMMUNITY HEALTH CENTRE IS SEEKING MEMBERS FOR ITS VOLUNTEER BOARD OF DIRECTORS

VISION

Building opportunities for healthy and inclusive communities

MISSION

We provide inclusive and equitable health and social services to those who experience barriers to care, and we foster the active participation of individuals and the communities we serve.

Our Board of Directors is looking for individuals who are able to:

- View the changing, complex health care environment strategically in a way that enables the organization to move forward in a proactive manner taking into consideration the needs of our target populations who face barriers in accessing health and social services.
- Bring a philosophy of social justice, harm reduction, advocacy, anti-oppression and community development to the board.
- Applicants with experience in human services, fundraising, finance, law or other relevant areas are welcomed.

The populations that our organization serves include:

- Newcomers and immigrants to Canada (our top languages are Arabic, Spanish, Thai, Persian, Khmer, and Karen). We are also designated for French Language Services.
- People living in poverty and those at risk of homelessness.
- People with complex physical and/or mental health issues.

Recognizing that London is becoming more diverse, we are particularly interested in candidates who have the knowledge and experience to bring this voice to our leadership table.

This is a volunteer commitment of 4-6 hours per month. All meetings are conducted in English. Our Board meetings are currently the 4th Wednesday of every month from 5:00 to 7:00 pm.
